Notes:

** Students pursuing multiple majors are counted once based on the first major appearing in their records.

¹ Of the students in Division of Biological Sciences programs, approximately 1,436 are seeking degrees through the College of Agricultural and Environmental Sciences, and 2,333 are seeking degrees through the College of Letters and Science. The total includes 753 Undeclared Life Science Majors. This major, which was previously reported in College of Letters and Science, was moved to Division of Biological Sciences in 2003-04.

² Of the Engineering undergraduates, 254 are seeking computer science degrees through the College of Letters and Science.

³ School of Law is based on a two term average.

⁴ The Working Professional MBA and Forensic Science programs are self-supporting. All other programs are state supported, although several professional programs charge special fees.

⁵ Approximately 1,655 of these students are in programs offered off campus, leaving a three quarter average on-campus population of approximately 27,144.
