Notes:

** Students pursuing multiple majors are counted once based on the first major appearing in their records.

¹ Of the students in Division of Biological Sciences programs, 1,495 are seeking degrees through the College of Agricultural and Environmental Sciences, and 2,378 are seeking degrees through the College of Letters and Science.

² Of the Engineering undergraduates, 394 are seeking a computer science degree through the College of Letters and Science.

³ The Working Professional MBA and Forensic Science programs are self-supporting. All other programs are state supported, although several professional programs charge special fees.

⁴ Approximately 1,651 of these students are in programs offered off campus, leaving a Fall Quarter/Fall Semester population of approximately 27,436.
