Notes:

** Students pursuing multiple majors are counted once based on the first major appearing in their records.

¹ Of the students in Division of Biological Sciences programs, 1,595 are seeking degrees through the College of Agricultural and Environmental Sciences, and 3,420 are seeking degrees through the College of Letters and Science. The total includes 832 Undeclared Life Science Majors. This major, which was previously reported in College of Letters and Science, was moved to Division of Biological Sciences in 2003-04.

² Of the Engineering undergraduates, 285 are seeking a computer science degree through the College of Letters and Science.

³ The Working Professional MBA and Forensic Science programs are self-supporting. All other programs are state supported, although several professional programs charge special fees.

⁴ Approximately 1,719 of these students are in programs offered off campus, leaving a Fall Quarter/Fall Semester population of approximately 28,346.
