Total Degrees Conferred	6,129	6,532	7,196	7,399	7,569	7,773	7,558	7,487

* These figures reflect the number of degrees conferred, not the number of students receiving a degree. For example, if a student received multiple degrees, each degree is counted in the appropriate college(s). For example, if a student received a degree in English and Economics, then they are counted as 1.0 in both Division of Humanities, Arts & Cultural Sciences for English and Division of Social Science for Economics.
