Total Degrees Conferred	5,621	5,200	5,166	5,359	5,549	5,618	6,090	5,931

* These figures reflect the number of degrees conferred, not the number of students receiving a degree. For example, if a student received multiple degrees, each degree is counted in the appropriate college(s). For example, if a student received a degree in English and Design, then they are counted as 1.0 in both Humanities, Arts & Cultural Sciences for English and College of Agriculture & Environmental Sciences for Design.
