### Master of Advanced Study in Clinical Research

2-year program for doctoral students advanced to candidacy, post-doctoral fellows, and faculty members who wish to master clinical research methods and pursue independent research careers.

The annual fee covers the cost of the instructional program and Access to Student Services fee.

Health insurance is charged separately.

**Access to Student Services - Level III**
- **Access to Health Insurance Only**
  - Students have access to primary health care on campus (with co-pay), student mental health care, and access to purchase student health insurance.

The program fees, per unit fees, and other charges posted here are estimates based on currently proposed amounts. These figures may not be final. Actual fees and charges are subject to change by the Regents of the University of California and could be affected by State funding reductions. Accordingly, final approved levels (and thus a student’s final balance due) may differ from the amounts shown.

All new Undergraduate, Graduate Academic, and Graduate Professional students admitted for the 2016-17 academic year will be charged a one-time, life-time document fee of $150.00. Graduate students in the strictly professional degrees (M.D., J.D., D.V.M. and M.B.A.) are excluded and will continue with Pay-per-service charges. For more information about the Document Fee is available at [https://registrar.ucdavis.edu/local_resources/docs/doc-fee/document_fee.pdf](https://registrar.ucdavis.edu/local_resources/docs/doc-fee/document_fee.pdf)

The University of California Regents mandates that all students have health insurance. UC Davis automatically enrolls all registered students in the UC Student Health Insurance Plan (UC SHIP). If students have comparable insurance and do not want to be enrolled in UC SHIP, they must apply for a UC SHIP waiver by the date specified for their school. Students in Self-Supporting Graduate Professional Degree programs are charged the graduate student SHIP rate. Rates and more information about the SHIP are available at [http://shcs.ucdavis.edu/insurance](http://shcs.ucdavis.edu/insurance).

Cal Vet exemption covers mandatory systemwide charges assessed by academic programs that receive State support. Cal Vet waivers may not be used for self-supporting programs.

The Access to Student Services fee is required by UC Davis Graduate Studies Policy GS2014-01.
