The tuition, fees, and charges posted here are estimates based on currently approved amounts. These figures may not be final; actual tuition, fees, and charges are subject to change by the Regents of the University of California or, as authorized, by the President of the University of California. Accordingly, final approved levels and charges may differ from the amounts shown.

All new Undergraduate, Graduate Academic, and Graduate Professional students admitted for the 2018-19 academic year will be charged a one-time, life-time document fee of $150.00. Graduate students in the strictly professional degrees (M.D., J.D., D.V.M. and M.B.A.) are excluded and will continue with Pay-per-service charges. More information about the document fee is available at [https://registrar.ucdavis.edu/tuition/doc-fee.cfm](https://registrar.ucdavis.edu/tuition/doc-fee.cfm).

The University of California Regents mandates that all students have health insurance. UC Davis automatically enrolls all registered students in the UC Student Health Insurance Plan (UC SHIP). If students have comparable insurance and do not want to be enrolled in UC SHIP, they must apply for a UC SHIP waiver by the date specified for their school. More information about the UC SHIP is available at [http://shcs.ucdavis.edu/insurance](http://shcs.ucdavis.edu/insurance).

Cal Vet exemption covers mandatory systemwide charges assessed by academic programs that receive State support. Cal Vet waivers may not be used for self-supporting programs.

The Access to Student Services fee is required by UC Davis Graduate Studies Policy GS2014-01.

A one-time fee of $159.00 is charged to entering students who hold a F-1 or J-1 visa, excluding UC Education Abroad and non-UC Davis sponsored students (i.e. Fulbright or Vietnam Education Fund).
